

In the Drawings:

Please replace Figs. 7A, 7B, and 10 with the attached replacement drawing sheets.

In Fig. 7A: The components of the diagram for the set-top box were amended to further clarify these terms.

The term "5 User Profiles" was replaced with "Five User Profiles 703"

The term "Mission Environment s" was replaced with "Mission Environments Directories"

The term "Avatar Files" was appended with the number "702".

The term "5 Personalized Directories" was replaced with "Five Personalized Directories"

The term "Speech Processing" was appended with the number "704".

In the middle of the diagram, the term "AI Engine On one of the Applications" was replaced with "AI Engine On one of the Applications Servers 701."

The outer border was removed and the figure was amended to meet the margin requirements for drawings.

In Fig. 7B: The written numbers 701, 702, 704 were typed into their respective process boxes. The number 702 which previously labeled the authentication process has been redirected to avatars.

In Fig. 10: The figure was enlarged and an extraneous rectangular box above the figure was removed.

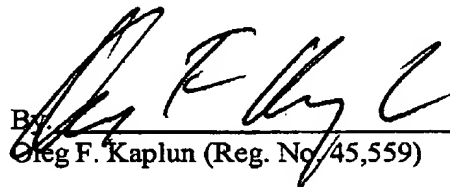

REMARKS

The specification has been amended. Replacement drawing sheets are provided as well to correct Figs. 7A, 7B, and 10. In response to the Office Action mailed October 21, 2004, the applicant elects Species II and the corresponding claim 2 for prosecution on the merits. The applicant requests that the non-elected claim 1 be cancelled without prejudice. In addition, claim 2 has been amended and claims 3-23 have been added. Thus, claims 2-23 are now pending in the present application. No new matter has been added.

The applicant respectfully submits that all of the pending claims are in condition for allowance. All issues raised by the Examiner having been addressed, an early and favorable action on the merits is earnestly solicited.

Respectfully submitted,

Dated: March 21, 2005
